dah (jana dah) (jana) dah-ooo

Monologue on the answer machine and I
Never thought that my words could be mean
But I don't know what's going on inside your head, oh
I own up that I'm often gone
And I'm balled up in a troubled song
About the blues considering you.

CHORUS 1

Well I talk all I want, scream and I want just to be heard
But I won't, there's a hush on my word.
So I pick up the phone, dial your home...you could be fair
But you won't, because you're never there.

INTERLUDE

I gave you all of my best, and
You went and put my love to the test
Gave me good, good reason to doubt you
I am a good woman's son, and
You cheated on me so now we done
I'm gonna go, go on without you

CHORUS 2

INTERLUDE

BRIDGE

I'm gonna go on without you

I won't guarantee that I do the right thing
This is the result of emotions you bring.
Tell me how...tell me how do you feel
When you're lying alone with your hindsight
You think of me keeping your body warm at night
Tell me now, I bet you wish I was still...there.

CHORUS 3
