Closing time	I heard you crying loud,		
Open all the doors and let you out into the world	all the way across town		
Closing time	You've been searching for that someone,		
Turn all of the lights on over every boy and every girl	and it's me out on the prowl		
Closing time	As you sit around feeling sorry for yourself		
One last call for alcohol so finish your whiskey or beer	Don't get lonely now		
Closing time	Dry your whining eyes		
You don't have to go home but you can't stay here	I'm just roaming for the moment		
	Sleazin' my back yard so don't get so uptight		
	you been thinking about ditching me		
	No time to search the world around		
<i>Cause you know where I'll be found</i>	Cause you know where I'll be found		
	When I come around		
I know who I want to take me home	When I come around		
I know who I want to take me home			
I know who I want to take me home			
Take me home...	Take me home..

Closing time		Sometimes I feel like I don't have a partner	<i>Closing time</i>
Time for you to go out to the places you will be from		Sometimes I feel like my only friend	
Closing time		Is the city I live in; the city of angels	<i>Closing Time</i>
This room won't be open till your brothers or your sisters come		Lonely as I am, together we cry.	
So gather up your jackets, move it to the exits		I drive on her streets 'cause she's my companion	<i>So gather up your jackets</i>
I hope you have found a friend		I walk through her hills 'cause she knows who I am	
Closing time		She sees my good deeds and she kisses me windy	<i>Closing time</i>
Every new beginning comes from some other beginning's end		I never worry; now that is a lie.	
<i>I don't ever want to feel like I did that day</i>	No time to search the world around	I don't ever want to feel like I did that day	
<i>Take me to the place I love; take me all the way</i>	Cause you know where I'll be found	Take me to the place I love; take me all the way	
	When I come around		
I know who I want to take me home			I want something else to get me through this
I know who I want to take me home			Semi-Charmed kinda life, baby, baby
I know who I want to take me home		<i>I want something else; I'm not listenin' when you say</i>	I want something else; I'm not listenin' when you say
Take me home... <i>Good bye</i>		<i>Good bye</i>	Good bye
	<i>doot doot doot, doot doot doot doot</i>	<i>doot doot doot, doot doot doot doot</i>	<i>doot doot doot, doot doot doot doot</i>
	<i>doot doot doot, doot doot doot doot</i>	<i>doot doot doot, doot doot doot doot</i>	<i>doot doot doot, doot doot doot doot</i>
	<i>doot doot doot, doot doot doot doot</i>	<i>doot doot doot, doot doot doot doot</i>	<i>doot doot doot, doot doot doot doot</i>
